

Intern Opportunity: Business Management

About us

risklab GmbH is the expert for Strategic Investment Solutions of Allianz Global Investors AG.

risklab provides its services to renowned national and international institutional investors such as Pension Funds, Corporate Clients, Family Offices, Wealth Managers and Mutual Funds.

We create innovative and sustainable investment solutions together with our clients in a true partnership approach.

Opportunity

We are looking to hire an Intern for our team with focus on Business Management. The duration of the internship will be at least 2 months. Location is Munich, Germany.

As an Intern in Business Management you will work for projects in the area of Investment- and Risk Solutions. Projects will focus on Market Strategy, Marketing/Sales as well as Finance & Controlling and other Business Management related tasks.

Ideally, you have already collected first practical project management experience, for example through an internship in a Management-/ Investment Consultancy.

Your Qualification

We are looking for a student of Economics, Business Studies, MBA candidate, or similar. Ideally, you have profound knowledge in working with MS Office, in particular with Excel and PowerPoint. You should be team-oriented, open-minded, flexible, and a self-starter with hands-on mentality.

What we Offer

As an intern you get the possibility to experience our international culture, our philosophy and our working atmosphere while gaining insights into the procedures and the day-to-day work requirements.

Contact

If you think you have what it takes to join our fast-paced organization, please send your CV and letter of motivation via E-Mail to tanja.cichos@risklab.com.

We look forward to hearing from you.
