

## Working Student Opportunity

### Sharepoint / CRM Development (m/f)

---

#### Opportunity

We are looking for a working student (m/f) to improve, refine and administrate our *Microsoft Dynamics CRM* (customer relationship management) system and our *Microsoft Sharepoint* intranet portal.

Ideally, you have gathered first practical experience with MS Dynamics and MS Sharepoint. However, this is not a prerequisite. If required, you will be trained on the job by one of our experts.

#### About us

risklab GmbH is the expert for Strategic Investment Solutions of Allianz Global Investors AG, which is the global Asset Manager of Allianz.

#### What we Offer

As a working student you get the opportunity to support the development of risklab's CRM and Intranet. The systems are the backbone of our internal knowledge and information exchange. For this exciting working student opportunity you will be assigned dedicated tasks and projects where you can bring in your ideas and work independently.

Ideally, you work 10-15 hours a week. However, we are happy to make flexible arrangements. Location is Munich, Germany.

#### Contact

If this working student opportunity sounds interesting and challenging to you, please send your CV and a short cover letter via E-Mail to [tanja.cichos@risklab.com](mailto:tanja.cichos@risklab.com). We look forward to hearing from you.
